Downtown Pregnancy Center (DPC) is Empowering Women Through Knowledge. Founded in 1994 to serve women and their partners who found themselves in an unplanned pregnancy, all services provided are confidential, and offered without cost to clients. The DPC provides pregnancy testing, sonograms, options counseling, and STD screening and treatment in addition to sexual health, prenatal and parenting education. Clients are invited to join the EARN WHILE YOU LEARN program where they can earn vouchers to purchase needed maternity and baby items while participating in educational programs. The compassionate care given by the dedicated staff and volunteers of the DPC provides a safe place for women to make an informed decision during a difficult and challenging time in her life.
